Limited in Earl

The 10.25-inch frameless, full-colour Driver Information Display (DID) allows you to customize the contents of up to 24 screens. Available.

The unique 10.1-inch NAV radio shines within a totally fresh interior. Available.

The redesigned steering wheel offers a compact design with fingertip controls for communication, entertainment and vehicle data.

Redesigned door panels add a sleek, sophisticated appearance.

The raised centre console takes function and style to the next level, offering deep storage cubbies and an available wireless charging pad.

# AN UTTERLY INNOVATIVE DIRECTION

**TAKING A GIANT STEP INTO THE FUTURE,** the completely new, technologically advanced dashboard design puts Compass in a class by itself. The available Uconnect® 5 NAV Infotainment System with a 10.1-inch touchscreen stands as a focus point, with five times faster processing power. The new, available 10.25-inch, full-colour DID can be customized to show vehicle speed, navigation data, outside temperature, tire pressure monitoring and more. An available wireless charging pad adds welcome function to the raised centre console with its large cubby storage bin.

Limited interior in Steel Grey

# A TACTILE **PERSPECTIVE**

Limited interior in Steel Grey

**AUTHENTIC ELEMENTS** delight the eye and invite you to touch. Surfaces, materials and stitching all coordinate in harmony, resulting in a very modern expression of Jeep® Brand freedom.

**DURABLE MATERIALS** are used throughout the cabin, all crafted with precision. Everything comes together to create a sanctuary of peace and harmony.

**This sophisticated two-tone interior, fashioned from premium leathers, fabrics with contrast stitching and durable metals, raises the interior of Jeep® Compass Limited to a new level of urban style.**

# ALL-AROUND COMFORT

Redesigned seats with slim headrests and enhanced upper back support.

An available wireless charging pad and three standard Type-A and -C USBs in the front row and two USB ports in the second row.

A deep centre storage cubby lets you hide valuables out of sight.

Rear passengers enjoy travelling with exceptional cushioned comfort.

Plenty of convenient cup holders for front and rear passengers.

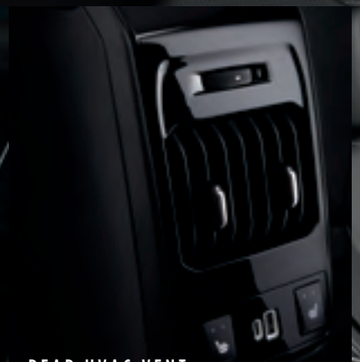
Limited with Black leather-trimmed seats

Heated rear seats are available.

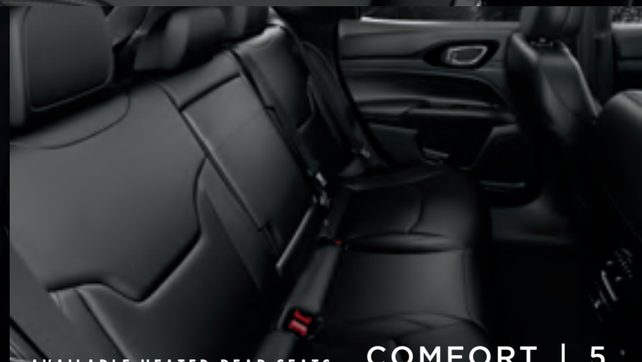
## TAKE ON THE WORLD

**THIS THOUGHTFULLY DESIGNED CABIN** keeps passenger comfort and convenience at the forefront. The new, raised centre console is reconfigured to maximize storage space. Rear-seat passengers gain additional Heating, Ventilation and Air Conditioning (HVAC) vents, a standard 12-volt auxiliary power outlet, an available 115-volt auxiliary power outlet and connectivity with up to two USB ports.

AVAILABLE WIRELESS CHARGING PAD



REAR HVAC VENT



AVAILABLE HEATED REAR SEATS

Limited with Elite Group in Billet Silver Metallic
Properly secure all cargo.

# HANDS-FREE **CARGO ACCESS**

## ROOM **TO GO**

**MAKE THE MOST OF YOUR TRAVELS** with the configurable interior of Compass. It's 60/40 split-folding rear seat can be arranged to fit people, gear and pets. The height-adjustable rear cargo floor can lower to accommodate tall items or raise up for easy slide-in loading. The foot-activated Open 'n Go liftgate eliminates fumbling with packages and keys while loading into the cargo area. This convenient feature opens your rear liftgate automatically — just swipe your foot under the rear bumper. Available.

# CAPABILITY MEETS **EFFICIENCY**

**THE TWO AUTHENTIC JEEP® BRAND FOUR-WHEEL-DRIVE (4WD) SYSTEMS** can send up to 100 percent of available torque to any one wheel, virtually assuring your command over any terrain. With the help of a rear-axle disconnect, these systems can actively transition from 4WD into fuel-saving Front-Wheel Drive (FWD), delivering both efficiency and capability when you need it.

**JEEP ACTIVE DRIVE** You'll automatically enjoy seamless operations in and out of 4x4 mode at any speed with the rear-axle disconnect. Jeep® Active Drive also includes brake traction control that works to maintain a balanced torque distribution, helping this system deliver an easy-to-use, all-weather boost in capability. Standard on 4x4 models.

**JEEP ACTIVE DRIVE LOW** is exclusively featured on Trailhawk® with a single-speed Power Transfer Unit (PTU) that offers torque management and 4WD Low mode. When in Low, the system delivers additional power at low speeds, giving you the ability to crawl over boulders with confidence, thanks to a 1-inch increase in ride height and a crawl ratio of 20:1.

# SELEC-TERRAIN® TRACTION **MANAGEMENT SYSTEM**

## SELECT YOUR MODE OF TRACTION CONTROL

**SAND / MUD** Converts to a uniquely calibrated Sand Mode that utilizes aggressive throttle and upshift points to tackle looser, sand-covered surfaces. Maximizes low-speed traction by allowing additional wheel-slip via specifically tuned chassis controls, differentials and transmission ratios geared to successfully tackle mud.

**SNOW** Adjusts for ultimate performance over snow- and ice-covered roads by maximizing vehicle stability and minimizing oversteer. Major systems auto-engaged and managed in this mode include antilock brakes and traction control.

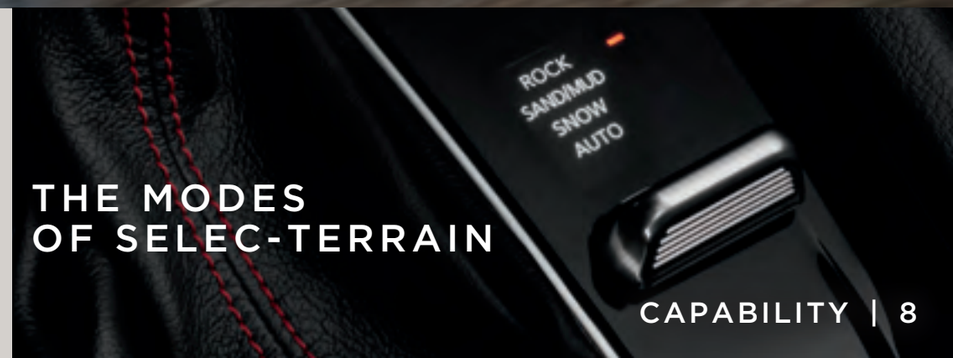
**AUTO** In this mode, Selec-Terrain® does the work, automatically adjusting vehicle dynamics to best suit the road. To help ensure optimal efficiency, the rear driveline disengages when not needed.

**ROCK** Delivers Trail Rated® Four-Wheel-Drive (4WD) Low capability, thanks to its locking rear differential, allowing you to crawl over rugged terrain at appropriately safe speeds. Standard exclusively on Trailhawk.®

Trailhawk® in Sting-Grey

# NEW TOGGLE SWITCH

**EVERY JEEP® COMPASS** equipped with available 4x4 capability arrives with a Jeep® Selec-Terrain Traction Management System, giving you the power to tackle Mother Nature's toughest conditions. A selectable toggle switch can adjust to your desired mode with the touch of a finger. The system features Sand/Mud, Snow and Auto settings and, exclusive to Trailhawk, Rock Mode that doubles down on traction control to help master challenging conditions during on- or off-road travels.



THE MODES OF SELEC-TERRAIN

## TRAILHAWK® ELITE GROUP

- Premium leather-trimmed bucket seats with ventilated front seats
- Power 8-way driver's and front-passenger seats with power 4-way lumbar adjust and driver's seat memory
- Uconnect® 5 NAV Infotainment System with 10.1-inch touchscreen
- Heated second-row seats
- 10.25-inch, full-colour Driver Information Display
- LED low-/high-beam projector headlamps
- Premium LED taillamps and fog lamps
- Auto High-Beam Headlamp Control

Trailhawk® in Sting-Grey

**TRAILHAWK IS DESIGNED TO HELP** make your life more adventurous, and its sport-inspired cabin is designed to keep you comfortable and travelling in style while you're at it. Red accent stitching stands out on the cushioned seating, with Ruby Red bezels offering additional enhancements. The Trailhawk® logo is embroidered in Ruby Red on the front seatbacks, a proud announcement of this vehicle's authentic DNA.

# THE ELEMENTS OF A STRONG PERFORMANCE

**Jeep® Compass combines strength of purpose with the ability to travel far between fill-ups. You'll also be empowered with the capability to pull and pass when the need arises.**

**2.4L TIGERSHARK® MULTIAIR® I-4 ENGINE**
Engineered to deliver the best of both worlds: a quiet and refined performance backed by the ability to power through tough terrain. A fuel-efficient workhorse. Standard.

**ENGINE STOP / START (ESS) TECHNOLOGY**
This welcome feature on Jeep® Brand engines helps optimize efficiency while minimizing emissions. ESS seamlessly turns off the engine at stops, then restarts it when the brake pedal is released and the transmission is engaged. Standard.

**9-SPEED AUTOMATIC TRANSMISSION WITH AUTOSTICK** Smooth gear transitions through all nine gearshifts deliver a ride that feels luxurious and confident. Economies are maximized, and performance is optimal at all times. Standard on 4x4 models.

**6-SPEED AUTOMATIC TRANSMISSION WITH AUTOSTICK** This compact, lightweight transmission offers a high-precision clutch that's smooth and responsive. It's a highly efficient performer that helps realize economies, thanks to its next-generation electronics. Standard on Sport Front-Wheel-Drive (FWD) models.

North in Billet Silver Metallic

## 10.25-INCH, DIGITAL DRIVER INFORMATION DISPLAY (DID) WITH 24 SCREENS

Spanning virtually the entire driver's instrument cluster viewing area, this All-New, digital, full-colour DID holds a vast amount of critical vehicle data. Within 24 customizable display screens accessed via steering-wheel controls, drivers can see vital performance stats, navigation instructions and much more — all on demand. High-definition graphics are crisp and bright. Available.

# INNOVATION ON DISPLAY

**FRONT AND CENTRE,** an expanded Uconnect® 5 is standard to keep you informed and entertained. Its large, full-colour, available 10.1-inch touchscreen integrates with your smartphone, thanks to wireless Apple CarPlay[1*] and wireless Android Auto™[1] A standard Wi-Fi Hotspot[2] provides a strong, fast, lasting connection on the road.

*All disclaimers and disclosures can be found on the last page.

## THE ALL-NEW UCONNECT® 5 SYSTEM

### UCONNECT 5 RADIO

**This All-New system delivers operating speeds that are five times faster compared to the previous generation. Content-rich and adding greater personalization, it's the most advanced Uconnect system ever.**

Works with Apple CarPlay

A smarter, safer way to use your iPhone and Siri voice control[21] inside your vehicle, Apple CarPlay[1] integrates wirelessly with the Uconnect touchscreen. Apple CarPlay allows you to make calls, access music, send and receive messages, get directions optimized for traffic conditions and more while staying focused on the road.[1]

works with androidauto

Connect your Android™ phone to experience a simpler, safer way to use your phone in the car. Talk to Google on Android Auto[1] and get things done with your voice so you can keep your focus on driving. Easily send messages, get directions, control media and more. Just say, "Hey Google" or, in compatible cars, long-press the voice-control button on your steering wheel to get started.

SIRIUSXM

# CONNECTED **SERVICES**

**Trips are enhanced with informative and entertaining apps. Access them on your Uconnect® touchscreen as well as your smartphone. Connected technology[3] keeps you linked to a whole new world.**

**WHAT DOES SIRIUSXM WITH 360L COME WITH?** The SiriusXM with 360L[4] audio platform gives listeners access to more channels, including exclusive streaming channels. In fact, there are more than 10,000 hours of recorded on-demand content available, personalized recommendations, special events and easier discovery. Available.

Listen to your favourite channel on your connected device, then flip to SiriusXM[4] in your car and enjoy the best ad-free music, plus every major sport and the biggest names in entertainment, news and comedy. You'll get over 150 channels, all at the press of a button. With the SiriusXM Platinum[4] trial, you get every channel available in your car and on your portable devices with the SiriusXM App, which is included with your one-year trial. Standard.

Thanks to the ability to anticipate traffic, formulate better routes and provide more accurate arrival times, TomTom for Compass provides the most up-to-date traffic and travel information. TomTom's Connected Services[20] — including Traffic, Speed Cameras, Parking, Fuel and Weather — provide drivers with reliable, timely information to get them where they are going without worry. Available with Uconnect 5 NAV, the TomTom system allows you to access useful information right at your fingertips and get Maps-Over-the-Air (MOTA) updates.

Drive worry-free with SiriusXM Guardian[3] — a premium suite of safety and convenience services that can be accessed in-vehicle or through the Uconnect App.[3] Includes a one-year trial. Standard.

**SIRIUSXM GUARDIAN SERVICES + UCONNECT® APP**

> **SOS CALL**[5] In the event of an incident, push the SOS button. You'll be connected to a SiriusXM Guardian agent who contacts 9-1-1, provides your location and stays on the line with you until help arrives.

> **ROADSIDE ASSISTANCE CALL**[6] puts you in touch with an agent who can get you help while you're out on the road.

> **LOCK/UNLOCK** your car from virtually anywhere.

> **START YOUR CAR REMOTELY.**[19]

> **FLASH THE LIGHTS** and sound the horn to help find your car.

> **VEHICLE FINDER**[7] allows you to locate your vehicle on a map.

> **SEND & GO**[8] enables you to send destinations to your navigation system.

> **THEFT ALARM NOTIFICATION**[9] Receive alerts by text, email or push notification if your vehicle's available theft alarm is triggered.

> **STOLEN VEHICLE ASSISTANCE**[10] If the unexpected happens and your vehicle is stolen, this feature will help police locate your vehicle.

> **FAMILY DRIVE ALERTS**[11] provide peace of mind when you hand over the keys. Allow you to set parameters to receive notifications when others are operating your vehicle.

# MORE ACTIVE **SAFETY AND SECURITY** FEATURES THAN EVER

An impressive list of available, technologically advanced, active systems keep watch over you and your passengers during your travels. Via an array of cameras and sensors, Compass monitors all around its perimeter, acting as a modern sentry constantly on alert and ready to help you arrive at your destination, safe and sound.

**360° SURROUND-VIEW CAMERA SYSTEM**[12] The next big thing in safety arrives to give you a composite bird's-eye view of your vehicle's positioning on all four sides. This camera works to assist with parking manoeuvres, helps you see blind spots and assists in detecting objects that may not be visible otherwise. Available.

**PEDESTRIAN / CYCLIST EMERGENCY BRAKING**[12] Drivers are provided a warning and the vehicle automatically decelerates to help avoid an impending collision with a pedestrian or cyclist ahead. Available.

**ACTIVE LANE MANAGEMENT SYSTEM**[12] A new, safety feature that measures your position within lane boundaries. If the system detects an unintentional lane drift, it will alert you and correct the vehicle back into its lane. Available.

**PARALLEL AND PERPENDICULAR PARK AND UNPARK ASSIST SYSTEM**[12] This active guidance system controls steering automatically. You can take your hands off the steering wheel and let the system's ultrasonic sensors help you ease into parking spots as you gently brake and change from Reverse to Drive as needed. Unpark Assist[12] helps you navigate your way out of parking spots. It controls the vehicle's steering while providing the driver with gear and braking instructions. Available.

**TRAFFIC SIGN RECOGNITION**[12] Detects road signs and provides visual reminders on your multi-view display. Available.

# ON GUARD WHEN YOU'RE ON THE GO

**FORWARD COLLISION WARNING WITH AUTOMATIC EMERGENCY BRAKING[12]** Sensors help detect when Jeep® Compass may be approaching another vehicle too rapidly. They may send an audible and visual alert to the driver and may provide braking if necessary. Available.

**BLIND-SPOT MONITORING[12] WITH REAR CROSS-PATH DETECTION[12] SYSTEMS** These systems monitor the space between you and other drivers. When a side or rear blind spot is encroached, you're notified via helpful icons illuminated on sideview mirrors and an audible chime. Available.

**PARK-SENSE® FRONT AND REAR PARK ASSIST SYSTEM[12]** Ultrasonic sensors determine the relative distance to objects in your rear pathway. Read-outs in the Driver Information Display provide notification of front-object proximity, and an audible warning is given. Available.

## (JEEP®)RED EDITION COMPASS

### (JEEP®)RED EDITION COMPASS

This special edition Compass opens the door to join a global movement and make a difference. (RED) harnesses the power of people and companies to fight AIDS and COVID. (RED) partners with the world's most iconic brands to develop (RED)-branded products and experiences that trigger contributions to the Global Fund to strengthen health systems and fund life-saving programs.

The Jeep, Ram and FIAT® Brands have committed a minimum of $4 million to the Global Fund between 2021 – 2023 to help fight health emergencies with (RED). Every 2022 (Jeep)RED Edition Compass will support this commitment. In addition to offering unique style and (RED) badging, you'll drive away enjoying a long list of standard features.

MOPAR VEHICLE PROTECTION. FCA Canada Inc. has a vested interest in your satisfaction and owner experience with your new vehicle. Mopar Vehicle Protection offers extended service and maintenance plans to help ensure you'll enjoy your vehicle for many years down the road — for just pennies a day. For more information on comprehensive vehicle coverage, see your local Chrysler, Jeep, Dodge and Ram retailer or call (800) 465-2001.

WARRANTIES. 2022 Chrysler, Jeep, Dodge and Ram vehicles are backed by a 5-year or 100,000-kilometre fully transferable Powertrain Limited Warranty* with $0 deductible plus 24-hour roadside assistance.† SRT vehicles are backed by a 3-year or 60,000-kilometre fully transferable Powertrain Limited Warranty* with $0 deductible plus 24-hour roadside assistance. Basic Warranty coverage is for 3 years or 60,000 kilometres.* Rust-through coverage on all body sheet metal is for 3 years. The Cummins Turbo Diesel engine is protected by a separate Limited Warranty, covering the engine for 5 years or 160,000 kilometres.* The EcoDiesel engine is backed by a 5-year or 100,000-kilometre fully transferable Powertrain Limited Warranty* with $0 deductible plus 24-hour roadside assistance.†

*Whichever comes first. Some conditions may apply. †The 5-Year/100,000-Kilometre Powertrain Limited Warranty does not apply to vehicles sold for certain commercial uses. See your retailer for full details.

1) Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice controls, when it is safe to do so. Requires compatible iPhone. See retailer for phone compatibility. Data plan rates apply. To use Android Auto on your phone screen, you'll need an Android phone running 6.0 or higher and the Android Auto App. 2) Three-month / 1GB trial included with the purchase or lease of a new vehicle. Upon expiration of the trial period, purchase of a subscription is required. Wi-Fi Hotspot available through third-party subscription. Requires Internet-enabled mobile device. See retailer for details. This feature is not intended for use by the driver while the vehicle is in motion. Always drive carefully. 3) All SiriusXM Guardian equipped vehicles come with a 12-month complimentary trial effective on the date of purchase or lease of a new vehicle. Enrolment in the trial is required to receive service. Upon expiration of the trial period, purchase of a subscription is required to continue SiriusXM Guardian. SiriusXM Guardian is available only on equipped vehicles purchased within the United States and Canada. Services can only be used where cellular coverage is available. See Uconnect and SiriusXM Guardian Terms of Service for complete service limitations. 4) **If you decide to continue service after your trial, the subscription plan you choose will continue and you will be charged according to your chosen payment method at then-current rates unless you cancel your services.** Fees and taxes apply. Some services and features are subject to device capabilities and location availability. Please see the SiriusXM Customer Agreement at www.siriusxm.ca/terms for complete terms and how to cancel, which includes calling SiriusXM at 1-888-539-7474. All fees and programming are subject to change, provided that we will notify you in advance of any price change. We use personal information in accordance with our Privacy Policy, available at www.siriusxm.ca/privacy. 5) In the event of a medical or other emergency, press the SOS button to be connected to a Customer Care agent who can direct emergency assistance to your vehicle's GPS location. 6) Roadside Assistance Call connects you with an agent who will provide Roadside Assistance Service. Vehicle must be within the United States, Puerto Rico or Canada and have network coverage. Additional roadside assistance charges may apply. Check warranty for details. 7) To use Vehicle Finder, you must have the Uconnect App with SiriusXM Guardian installed on a compatible smartphone and have an active subscription to SiriusXM Guardian. 8) Send & Go requires a vehicle equipped with Navigation. To use Send & Go, you must have the Uconnect App with SiriusXM Guardian installed on a compatible smartphone and have an active subscription to SiriusXM Guardian. 9) Theft Alarm Notification is compatible with factory-installed alarms only. 10) Stolen vehicle police report required. 11) Available only on equipped vehicles with an active subscription to SiriusXM Guardian connected services (Family Drive Alerts is not available on vehicles with a 12-inch touchscreen). 12) This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of his/her surroundings and be prepared to take corrective action to avoid collisions. 13) Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of phone require a Bluetooth compatible phone. 14) Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. 15) Vehicle must be locked and system activated for alarm to sound. 16) Always sit properly in designated seating positions with seat belts securely fastened at all times. 17) Never program while driving. GPS mapping and 3D navigation may not be detailed or available in all areas or reflect current road regulations. 18) Do not attempt water fording unless depth is known to be less than 51 cm (20 in). Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas. 19) Remote Vehicle Start is not available on all vehicles. You are responsible for using remote features in accordance with any laws, rules or ordinances in effect in your vehicle's location. You must have an active subscription to SiriusXM Guardian in order to use remote services. See Terms of Service for service limitations. 20) Vehicle must be enrolled in an active subscription with SiriusXM Guardian. 21) Requires an iPhone with Siri. Certain features are not available while the vehicle is in motion. iPhone must be within active cellular range. Customer's existing iPhone data rates apply to Internet-supported features.
